Delaware Municipal Electric Corporation

Join the Town of Smyrna in celebrating National Hispanic Heritage Month and expressing our appreciation of our Hispanic staff, residents, and community members!

Each year, the United States observes National Hispanic Heritage Month from September 15 to October 15 by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean, and Central and South America. The observation started in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President

Ronald Reagan in 1988 to cover a 30-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on approval of Public Law 100-402.

Help keep our streets clean.

We need your help!
This is your neighborhood.

- Don't litter.
- Dispose of trash in carts.
- Pick up trash on street.
- Keep it clean.

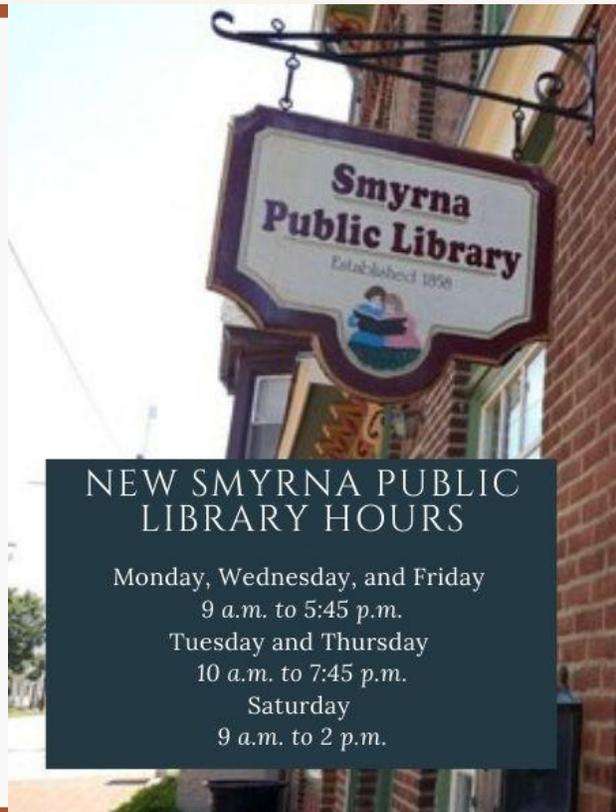

Your small actions can create a huge impact on our environment.

Let's all do our part.

BE A GOOD NEIGHBOR!

DE League of Local Government awards 2 Town Employees

Valerie Heritage was named the 2021 Delaware Municipal Clerk of the Year. She has been with the town for 25 years, has been the Town clerk for over 10 years, and is a jill-of-all-trades. She is also Assistant to the Town Manager and is currently the treasurer for the Delaware Municipal Clerks

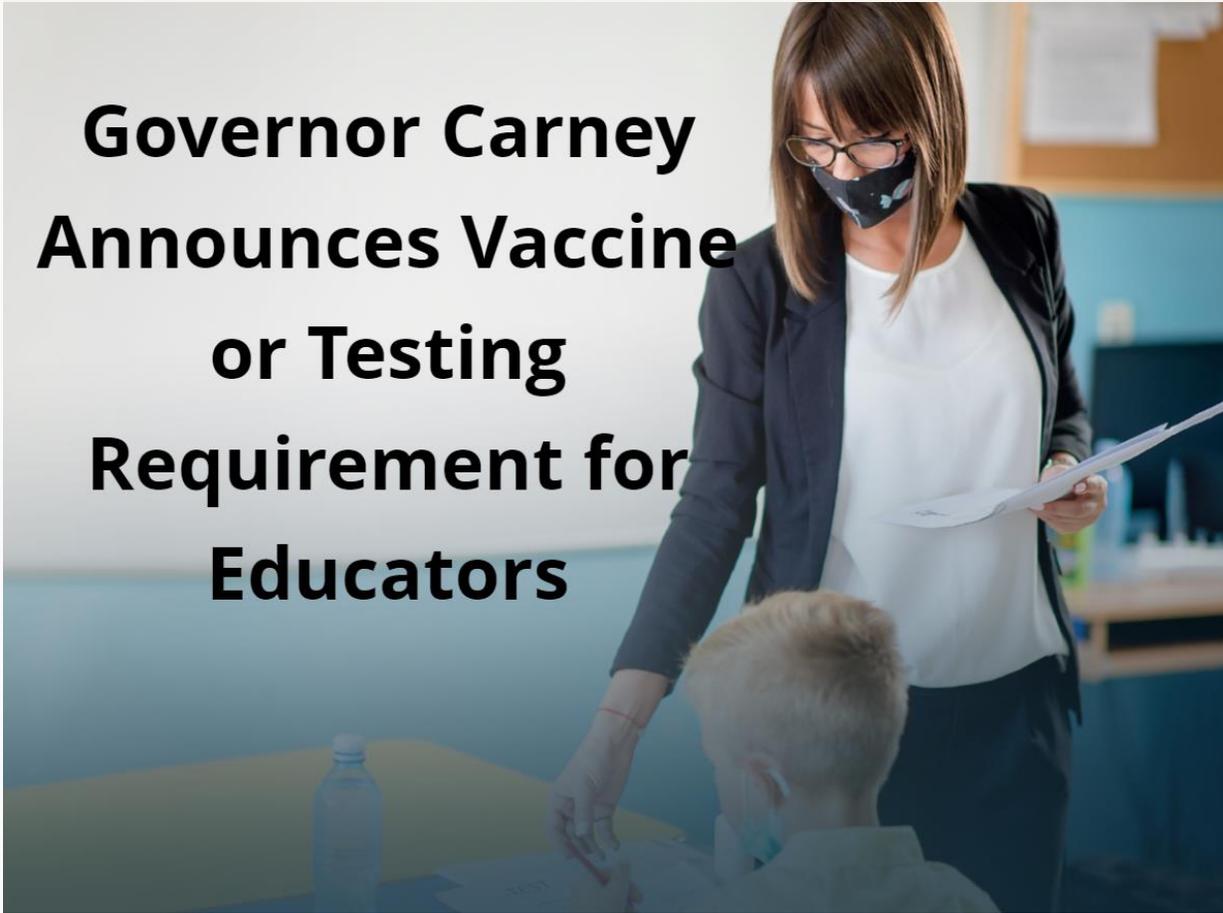

Andrew Haines was named the 2021 Delaware Town Manager of the Year. He has been in local government for 19 years and has been the Town's Manager since June 2020. He has done a lot both internally and externally and is working to make Smyrna a moving-forward town while also making sure that the small town

Governor Carney Announces Vaccine or Testing Requirement for Educators

LEAF COLLECTION

From September 15th through December 31st, you will see the Town of Smyrna Public Works crews picking up piles of leaves from curbside with our leaf machine.

The machine will ONLY pick up loose leaves.

Do not include any mixed yard waste material in your piles. Please separate all other yard waste (sticks, brush, and garden clippings) from loose leaf piles and place these into your yard waste container. This allows for the proper recycling of all materials and avoids equipment damage.

DO NOT pile leaves in the street or around fire hydrants.

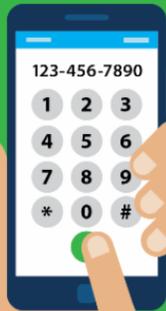

Place loose leaf piles at the edge of your property, but not in the gutter or road. Leaves in the road can become a traffic hazard. When it rains, leaves will plug catch basins, causing dangerous road conditions and flooding.
